Pastor Ryan's Message Reflection

'A Community Affair'

"Community seems to be withering right in front of our eyes these days. So many elements of modern life are actively replacing it, even those elements that attempt to enhance it (like social media). Many of the devices that were supposed to make life simpler have created a world that is far too complex. How do the scriptures speak into this reality? What insight do they offer us? This is an important topic that will give us the opportunity to sincerely evaluate the direction and flow of our lives as we wrestle with the need for community and authenticity of relationships. All are welcome to attend!"

Acts 2:42-47
